## Continued Presence— 2010 and Beyond

### *Special Note from the Jim:*

I'd like to send a special "Thank you" to those who have asked me to represent them this past year and years before.

I am proud to be an attorney and I will work hard to gain your trust. My goal is to be the best attorney I can be and get you exactly what you want.

This year was an especially busy one and I am able to move ahead because of my clients and their belief in me.

Being in Milford now for over 6 years has really been an incredible experience. I have been able to get to know my community and grow in the practice area of Immigration Law, as well

as continue to grow in my other areas of practice including Personal Injury, SSDI/ SSI, Wills and Trusts and Criminal Law.

Having started my business over 6 years ago, I have become familiar with the town and all its amazing attractions.

From the people to the food to the multicultural establishments that make Milford a wonderful place to live and work, I have really enjoyed "setting up shop" here.

It was one of the best decision I ever made.

I look forward to many more years of continued prosperity. Hope you have a wonderful, prosperous and safe 2010.

Thank you,

Jim

Best Wishes for a Wonderful and Happy 2010 from the team at the Law Office of Attorney James P. Hentz
